

# USP<800> Compliance

---

## WE HAVE YOU COVERED

MMCAP Infuse has contracted solutions in place, to protect staff and patient safety, and the environment, for compliance with USP<800>.

- Medical Products – MMCAP Infuse contracts with Concordance Healthcare Solutions, Henry Schein, McKesson, Medical Solutions, and Premier Medical offer supplies that may be used for protection.
  - Core item pricing has been obtained for gloves, gowns, eye and face protection, respiratory protection, etc.
  - MMCAP Infuse will do targeted vendor negotiations for high volume products
- Repackaging - Use of our repackaging contracts with Remedy Repack and Safacor may be an option for members to outsource their handling of hazardous products.
- Compliance Tool- MMCAP Infuse is creating a contracted program for resources to help members implement and maintain compliance with USP<800>.

## HERE TO HELP

- Contact [mmcap.infuse@state.mn.us](mailto:mmcap.infuse@state.mn.us) or 651.201.2420 for information on MMCAP Infuse contracts, or for help with the website, or your user name and password.
- USP<800> becomes enforceable on December 1, 2019.
